

I WANT TO LIVE I

Marco Clarke who sang I Want to Live in the US Premiere in Washington DC and Melissa Anderson who sang it on the US-Soviet tour

Youth 1

I want to live, I want to live
The right to live my life
I want to search far and wide
Have the right to wonder why
I want to fly through the air
Like a bird in the sky,
I want the chance to show the world
What I am before I die.

Youth 2

I want to be, I want to see
A world that's good and free
I want a home, someone to love
To share their life with me
I want to have and to hold
A child of my own
I want to live, I want to love
The right to grow old..

Youth 1 & 2 (*joining hands*)

We want to live, we want to live
The right to live our lives
We want to search far and wide
Have the right to wonder why
We want to fly through the air
Like birds in the sky,
We want the chance to show the world
What we are before we die.
We want to live
