

# AGE OF VIOLENCE

Solo:

In this age of violence, and terror and sadness and tears  
You have got to find a place – a place for yourself  
If you like you can hide, you can try and pretend it's not fair  
But in the end, will that help? – Any one (*Chorus: - Any one - Any one? -*)

If you dare, I say SHOUT OUT! DO SOMETHING! SCREAM and MAKE A FUSS!  
Be productive! Be strong! Don't act selfish or tough - *but* -  
I say fight – fight for what's right!

In this world of war, terrorism and strife!  
Tragedy strikes on the hour – Yea-aa-ah!  
You can hide – you can cry – you can pretend it's not there  
But will that help? – Any one (*Chorus: - Any one - Any one? -*)

If you dare, I say SHOUT OUT! DO SOMETHING! SCREAM and MAKE A FUSS!  
Be productive! Be strong! Don't act selfish or tough - *but* -  
I say fight – fight for what's right!

Chorus

If you dare, I say SHOUT OUT! DO SOMETHING! SCREAM and MAKE A FUSS!  
*Solo: [Make a fuss – you gotta...]*  
Be productive!  
Be strong! *[Solo: You be strong!]*  
Don't act selfish or tough - *but* -  
I say fight –
